

## Lighthorne Parish Council Performance Against Budget as at 11th April 2022

This is a financial forecast prepared before the start of the financial year based on anticipated account balances at start of financial year, an analysis of past income and expenditure, a knowledge of potential exceptional expenditure, and reserves allocated to specific projects. A primary purpose is to inform the setting of the precept for the coming financial year. This forecast will be tracked monthly so that performance against this budget is understood, and adjustments can be made accordingly.
